## **TO BUILD** WAREHOUSE

G. W. Trout and Co. Have Purchased Ground.

ON SOUTH MAIN STREET

Work Will Probably Begin Before March 1st.

G. W. Trout & Co. have purchased the corner of William and Main street and have not been furnished as yet, but it is definitely decided to build, and that in a receipt of price. Doctor's Book mailed Swartz Brothers are free. very short time. A reporter for the Engine talked with Mr. Trout inst night about the building. That gentleman said:

Hamphreys' Homeopathic Medicine Co., cowner William and John Streets, New York.

#### BUSINESS HAS EXPANDED.

SA,000,000 Business in 1901.

Of the many prospersus and expanding business concerns of Webits, probably since can show a greater increase, or more sutisfactory business confidentian for insurance contains the insurance date of Van Arsdale, and Pire and Murica insurance contains, in the fall of 190 Mr. Van Arsdale, who was the general agent a this city. We have made repeated to remain and the general agent a this city, and we at the general agent a this city, and the fall of 190 Mr. Van Arsdale, who was the general agent a this city, and the fall of 190 Mr. Van Arsdale, who was the general agent a this city, which there in the Van Arsdale, who was the general agent a this city, which there in the discussion to put in the fall of 190 Mr. Van Arsdale, who was the general agent a this city, which there in the bosiness could beat be managed from the majoral agent a this city.

In the fall of 190 Mr. Van Arsdale, who was the general agent a this city, which have appeared to remain the business could beat be managed from the majoral treatment and broadcast their offices, making headquarters in Webits.

Their binances his grown by lears and broadcast their offices, making headquarters in Webits.

The till a superior that a very lattre mount in it is expected that a very lattre manual to obtain a very lattre manual to obtain a very offen to the stock arrangement for bedding stock cars.

The pairwise data the missing on certains the trains and will be spinged from this city.

The till a moderate of the city to the majorate of the city and all the present of the cit Childrenia. They have the management of the fire department in Kansas, and the entire business in Oklahoma. During the past year pearly four million dollars of business of business of business of the fire department in Kansas, and the entire business in Oklahoma. During the past year pearly four million dollars of business was written through their which have a policy. The Eagle called at their commodition of the Eagle called at their commodition by the expectation of the processive features of the fire of the processive features of their which are start in the business in 182.

One of the processive features of their which are a business in 182.

When to be made. We wis ther it would not be cheaper to but in a short switch in place of the his place of the his post of the processive features of the minute of the minutes of the file of the fallowing in a copy of the letter written by Mayor Nickean to Chief of uniphing causality of between forty-five and stay carlands per day and the Missian of the results from Stuart's form and keep a factor of said on this town and keep a factor of said on this town to Swartz Brothers' sand dumps and fill up.

The Eagle called at their commodition of the microst membranes of the microst membrane and the process with his about an about a will be with his place of the first plate witch and keep a factor of said them the stand with by the title switch and keep a factor of said them the process of the stand with by the title switch and keep a factor of said keep a fac
